

Refund Policy

The North Atlantic Figure Skating Club (NAFSC) has a no refund policy except for our Learn to Skate (LTS) program.

The Learn to Skate refund policy is as follows:

- If a skater withdraws from the LTS program before the first class of the session, a full refund minus a \$12 administrative fee will be issued.
- If a skater withdraws after the first class but before passing the halfway point of the session, a refund of the original amount paid minus the number of classes skated and minus a \$12 administrative fee will be issued.
- If a skater withdraws after the halfway point of the session, no refund will be issued. Halfway point is determined by number of classes in the session. For example, if there are 8 classes in a session, after the 4th class, no refund will be given.

Club Ice Cards are valid for one year after purchase date. Any sessions remaining on a purchased card after expiration will be lost and a refund/credit will not be given for the remaining sessions.

No refunds will be given if a skater is asked to leave a program or ice for violation of club protocol or expelled from the club.
